Frequently Asked Questions: Adding a Pet to an Air Arabia Flight
Can I add a pet to an existing Air Arabia booking online?
United's online tools do not fully support adding a pet to an existing reservation for most routes. The most reliable

method is to call +44-120-420-8147 (𝒰𝒦) +1-855-265-0516 (𝒰𝒮) directly. An agent will add your pet to the existing booking, confirm space
availability, and process the pet fee in one call — something the online tools often cannot complete end-to-end.

search for alternative Air Arabia departures on your route that still have available pet space. If no same-day

Can I add a pet to an Air Arabia Basic Economy booking?

fare class. The pet fee applies regardless of fare class. Call +44-120-420-8147 (𝒰𝒦) +1-855-265-0516 (𝒰𝒮) to add your pet to a Basic Economy

Does my pet carrier count as my carry-on or personal item?
On United, your in-cabin pet carrier counts as your personal item — the smaller bag that goes under the seat. You
are still allowed one standard carry-on bag in the overhead bin. However, on Basic Economy tickets — which restrict
carry-on bags to personal items only — your pet carrier serving as the personal item means you cannot also bring a
standard carry-on. Call +44-120-420-8147 (𝒰𝒦) +1-855-265-0516 (𝒰𝒮) to confirm your specific baggage allowance when flying with a pet.
